The vice class rep moved away, so the seat is empty right now.
Home teacher tells me that it's up to me.

So, you are the partner.

!!!!

And look how your face changes suddenly... I guess you don't really like me, do you.

Like or not, you are stuck with me now. Let's get along, shall we?

!!!

Don't bother.

Hmm...

This is my new seat..

Hello, Sim-He, you all behind me, I see.

Ah, yeah...

What's your name?

My... name is... So Sim-He... You are ... Ja-Buck, right?

Oh, right, So Sim-He. Sorry, sorry, my humble mistake.

Hey, Ja-Buck, you don't even bother to remember names of your classmates?

Oh, wow, the prettiest girl in our grade is sitting right in front of me!

So, have you decided when you want to be my girlfriend ?

Quit jabbering (bothering) me, Ja-Buck.

Come on. You don't need to play hard-to-get.

.....

I want to change seats.
